

The ballade of the Zippo Lighter
To Norman 4-24-80

Zippo Lighters are a blessing "
Even if they'r made of "messing"
Zippo lighters keep their value
This ,of course, Norman can tell you
Zippos are as good as gold
If in stock or if they'r sold
Zippos you can give with pride
to a bridegroom or a bride
You can buy them in good faith
If they fail they will replace
And they come in large or small
Fit in suits or overalls
They will light in wind and weather
Weigh as little as a feather
Norman is the Zippo man
Sells as many as he can
Norman is now eighty years
Our wishes our cheers
Keep on selling Zippo lighters
Then you keep the whole world brighter.
